Dear Sean:

I received your letter of December 5, 1991 on December 10.

With regard to the access agreement for the OMC property, on February 18, 1991, I transmitted to Russ Selman an access agreement signed by Outboard Marine Corporation. We have not heard from anyone at North Shore Gas concerning that access agreement since that date. As you know, earlier this year we did provide access to North Shore Gas and some of their consultants on a limited basis as requested by them. We do now and have stood ready to perform under the access agreement we have sent to North Shore Gas.

Since receiving your letter, I have received a call from Russ Selman's office, and I intend to call them back. We have been waiting for that call or a response to our February 18, 1991 letter for some time.

Very truly yours,

Richard J. Kissel
